UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ASUS COMPUTER INTERNATIONAL,

Plaintiff,

v.

ROUND ROCK RESEARCH, LLC,

Defendant.

Case No. 5:12-cv-02099-WHA

PLAINTIFF AND COUNTERCLAIM
DEFENDANTS ASUSTEK COMPUTER INC.
AND ASUS COMPUTER
INTERNATIONAL'S FIRST REQUEST FOR
PRODUCTION (NO. 1)

PROPOUNDING PARTY: Plaintiff and Counterclaim Defendants ASUSTEK
COMPUTER, INC. and ASUS COMPUTER
INTERNATIONAL

RESPONDING PARTY: Defendant ROUND ROCK RESEARCH, LLC

SET NUMBER: ONE

Pursuant to Rules 26 and 34 of the Federal Rules of Civil Procedure, Plaintiff and Counterclaim Defendants ASUSTeK Computer, Inc. and ASUS Computer International request that Round Rock Research, LLC produce the documents and things responsive to these requests in the manner required by the Federal Rules, and send them within 30 days to the attention of Michael J. Engle at Perkins Coie LLP, 11988 El Camino Real, Suite 200, San Diego, CA 92130-3334. Round Rock is subject to a duty to supplement all responses and productions to these requests in accordance with Federal Rule of Civil Procedure 26(e).

DEFINITIONS

A. The terms “Round Rock,” “You,” or “Your” shall mean Round Rock Research, LLC and any parent, predecessor, successor, subsidiary, division, assigns, and each other person directly or indirectly, wholly or in part, owned or controlled by it; all present or former partners, principals, employees, officers, agents, legal representatives, consultants or other persons acting or purporting to act on their behalf; and any person in privity with them regarding the matters inquired about herein.

B. The term “the ’791 Patent” shall mean U.S. Patent No. 6,570,791.

C. The term “the ’276 Patent” shall mean U.S. Patent No. 6,765,276.

D. The term “the ’053 Patent” shall mean U.S. Patent No. 6,845,053.

E. The term “the ’949 Patent” shall mean U.S. Patent No. 6,930,949.

F. The term “the ’520 Patent” shall mean U.S. Patent No. 7,021,520.

G. The term “the ’353 Patent” shall mean U.S. Patent No. 7,279,353.

H. The terms “Patent-in-Suit” or “Patents-in-Suit” shall mean the ’791 Patent, ’276 Patent, ’053 Patent, ’949 Patent, ’520 Patent, ’353 Patent, and any other patent added to this litigation by amended pleading or complaint.

I. The terms “Related Patent” and “Related Patents” mean all patents and patent applications, including without limitation any patent, continuation, continuation-in-part, divisional, reexamination, reissue, or foreign counterpart patent or patent application, related directly or indirectly to any Patent-in-Suit.

J. The terms “refer to,” “referring to,” “relate to,” and “relating to” mean constituting, pertaining to, mentioning, commenting on, connected with, discussing, describing, identifying, analyzing, explaining, showing, reflecting, dealing with, comprising, consisting of, containing, resulting from, or regarding a particular subject in whole or in part, either directly or indirectly.

K. The words “and” or “or” shall be construed conjunctively or disjunctively, whichever makes the request more inclusive.

INSTRUCTIONS

1. Grammar and syntax, as used in these requests, shall be construed and interpreted to give proper meaning and consistency to their context. By way of illustration and not by way of limitation, the singular form of words may include the plural and the plural form of words may apply to each individual person and or thing, and the use of any gender or tense may be construed to include all genders and tenses, wherever appropriate in these requests, to bring within their scope any information which might otherwise be construed to be outside their scope. Wherever appropriate, any request made in the disjunctive shall be read as if made in the conjunctive, and vice versa.

2. If you withhold any documents covered by this Set of Requests by reason of a claim of privilege, or if you object to any part of any request for production for reasons of a claim of privilege, you shall furnish to ASUS a list identifying each such document for which the privilege is claimed or to which the objection relates, together with the following information:

- (a) The reason(s) for each objection or claim of privilege;
- (b) The exact name and title of the document;
- (c) The date of the document;
- (d) The identity of each person who wrote, signed, initiated, initialed, dictated, or otherwise participated in the creation of the document;
- (e) The general subject matter of the document; and
- (f) The identity of each person who was an addressee of or received the document or a copy thereof.

1 3. Where a responsive document has been destroyed, or is alleged to have been
2 destroyed, or exists but is no longer in your possession, custody or control, state the reasons for
3 its destruction or disposition, state the persons having any knowledge of its destruction or
4 disposition, provide documentation concerning your document retention policy, provide the
5 date(s) and circumstances under which each such document was destroyed or you were disposed
6 of such document, and state the persons responsible for its destruction or disposition.

7 4. If no documents are responsive to a particular request, state that no responsive
8 documents exist.

9 5. Electronic documents shall be produced in their native electronic format, unless
10 otherwise agreed upon by the parties.

11 6. All documents requested are to be produced in the same file or other
12 organizational environment in which they are maintained. For example, a document that is part
13 of a file, docket, or other grouping, should be physically produced together with all other
14 documents from said file, docket or grouping, in the same order or manner of arrangement as the
15 original. Alternatively, as to each document and thing produced, identify the request for
16 production and where applicable, the interrogatory number, in response to which you are
17 producing the document or thing.

18 7. Please keep and produce a record of the source of each document produced. This
19 shall include the name and location of the file where each document was located and the name of
20 the person, group or department having possession, custody or control of each document.
21 documents attached to each other must not be separated.

22 8. The requests set forth herein shall be deemed continuing pursuant to Federal Rules
23 of Civil Procedure 26(e)(1) and (2) so as to require supplemental production of documents and
24 things if Round Rock discovers, makes, or acquires responsive documents and things after the
25 date of response hereto despite a diligent effort to provide all responsive documents within the
26 time specified by the Federal Rule of Civil Procedure 34.
